

## A FAMILY REUNION

The family of Ted and Joyce Churchill had their first family reunion in 21 years. Their three daughters, Linda, Jeanette, and Rhonda, and their son Winston, two of the grandchildren and four great-grandchildren, attended the week-long festivities.

Linda and Donny travelled from British Columbia, Rhonda and Peter travelled from Nova Scotia, Jeanette and Gilles came from Quebec, and their brother Winston is living in the area. The two grandchildren, Christopher and Jennifer, their fiances Chantalle and Danny, the four great-grandchildren Candice, Colby, Joyce and Brian, were happy to spend time together.

Unfortunately, the reunion was incomplete because five of the grandchildren, Daniel, Barry, Mario, Mélissa, boyfriend Steve, and Monica, and one great-grandchild Sarah were unable to attend.

Mr. Churchill commented, "It is unfortunate it took 21 years to get the family together. It would be nice to have a reunion more often, but our busy lives don't make this possible."

You may think that you have forgot your childhood memories, but once the family gets together laughing about old times felt like having a "Blast from the Past." The week reminded us of an old-fashioned Christmas without the tree.

Nothing was more special than having all the family together again!
