

IN MEMORIAM

In loving memory
of a dear Mother,
VERA JOY
Born: Jan 31, 1935
Passed: July 1st 2006

Mom

*Our lives go on without you,
But nothing is the same,
We have to hide our heartaches,
When someone speaks your name.*

*Sad are the hearts that love you,
Silent the tears that fall,
Living our lives without you,
Is the hardest part of all.*

*You did so many things for us,
Your heart was kind and true,
And when we needed someone,
We could always count on you.*

*The special years will not return,
When we were all together,
But with the love within our hearts,
You will be with us forever.*

Always remembered by;
Walter (Joan) Joy
Patricia (Malcolm) Whalen
Eugene (Connie) Joy
Patrick Jr (Darlene) Joy
and all our families

Thank You!

LOOK WHO'S 40!

*Born in Schefferville, it was the place to be
He moved from Labrador City to Pound Cove
And back again as we can all see.*

*Dealing with people is his desire
I am sure his family will stay here
until the day he regretfully retires.*

*You can see him on the soccer pitch,
the arena, or greens
But due to his busy schedule,
Sometimes it's only in his dreams.*

*The years have passed very quickly, it's true
But you keep getting better with age
"You sexy Hunk you!!!"*

*Love your wife, son, parents, and
brothers, family and friends*

CONGRATULATIONS ON YOUR NEW ADVENTURE!

Congratulations to our daughter
Colette Chaulk and her husband Darrel
on the opening of their new store,

That Party Place,
located in Wabush Plaza,
next to Stanley's Market.

We wish you all the success
in the world.

Good luck and best wishes,
Charity and Richard Pickett

Joyce Beasley would like to take this
opportunity to thank all those who made her
fundraiser on Feb. 17th, 2007 such a success.

To the staff of the Legion and volunteers,
without your hard work, the night would
not have been possible. To those who
shared their talents, you made the night
special. To those who donated door prizes,
your generosity will not be forgotten. And to all
of those who came and/or made donations, you
helped out more than you could possibly know.

The video of that night was just the morale
boost I needed at this difficult time.

Thank you very much.

Joyce Beasley

We are Canada's largest producer of iron ore pellets. Customers around the world recognize our products for their superior quality and consistency.

Building on a history of innovation, we are committed to pairing the right people with advanced technologies.

We are looking for people who share our passion for continuous improvement and want to build a rewarding future together.

Iron Ore Company of Canada

To continue to be leaders in the mining industry, we need new leaders within.

Operator/Maintainer (Product Manufacturing)

(CR-07151)

The Iron Ore Company of Canada is now accepting applications for Operator/Maintainer in Product Manufacturing (Concentrator/Pellet Plant/Product Handling).

The successful applicant will possess a Technical diploma or a combination of relevant education and experience in an industrial environment.

We are looking for candidates who are highly motivated, adapts to changing situations and priorities, interacts well with others and demonstrates the ability to both work independently and to contribute effectively within a team.

As part of the RIO Tinto group of companies, the Iron Ore Company of Canada is experiencing a period of significant growth. Labrador City, Wabush and neighbouring Fermont are thriving communities with amenities especially suited to the outdoor enthusiast. World class skiing, snowmobiling, hunting and fishing, modern-sporting facilities, combined with a thriving arts community, provide for a lifestyle second-to-none. Living in this area is very affordable; the cost of living is very low compared to larger centres and the quality of life is high.

Applicants must also meet the physical fitness requirements of the role.

If you are interested in this position, please apply via our website (attach resume including the names of two references) on or before July 16, 2007.

www.ironore.ca/employment

Only candidates selected for an interview will be contacted.
 The Iron Ore Company of Canada is an equal opportunity employer.

We offer a competitive salary as well as a comprehensive benefits package. IOC is part of Rio Tinto, the world's leading mining company. Our purpose may lie beneath the earth, but what lies above is just as important. People. Quality. Pride.
