**Special Birthday Wishes**

go out to our little princess

**Abby Pinksen**

who turns 4 today, October 14th.

We hope you have a magical day!

Love Daddy, Mommy, and Emily,  
Grandma & Poppy, Nanny & Poppy,  
and special birthday wishes from  
Uncle Craig, Aunt Vicki, and  
Jacob in St. Anthony.  
We love you!

**Happy Birthday to our Diva!  
Heather George**

Happy birthday to you,  
as you work in our zoo!  
Still... you fit like a "T,"  
'Cause you're a real worker bee,  
With a whole ton of sass,  
-- and no shortage of class.

So, you can't master a headline?  
All your paragraphs are just fine!  
And, you do brighten our days,  
With your chat about Gray's  
So, we don't mind if you're late  
-- or can't find your tailgate!

In short, we just think  
you're the best  
(Even in that lumberjack vest!)

Happy 25th on October 17th!  
Best wishes from Peter, Ngaire,  
Sara, Ashley, Mika, Eric, Mike,  
Gary, and Alain

## five days, five ways to save

ENERGY STAR

**1 MONDAY, OCTOBER 22 – Fill your home with stars!** Save money on your electricity bill by choosing ENERGY STAR® labelled products. ENERGY STAR qualified products are typically 30 to 50% more energy efficient than conventional models.

**2 TUESDAY, OCTOBER 23 – Wrap it Up!** Upgrading your home's insulation and reducing air leaks in your home can save you up to 10% on your energy bill.

**3 WEDNESDAY, OCTOBER 24 – Switch to CFLs!** Replacing incandescent lights bulbs with compact florescent lighting (CFL) can reduce your electricity consumption by up to 75%.

**4 THURSDAY, OCTOBER 25 – Turn it off!** Turn off and unplug all non-essential lights, fixtures and other electrical devices to promote energy conservation.

**5 FRIDAY, OCTOBER 26 – Ideas at www.hydrowise.ca** HYDROWISE makes it easy to make a difference. For more energy conservation ideas visit the Newfoundland and Labrador Hydro HYDROWISE website.
